I'm sorry! I'm really sorry
Jeez! Are you kidding me?!
I'll be in big trouble if I don't turn it in tomorrow
Aak! The teacher's here!
Next time lets definitely compare how busy we are! See you later Masahiro!
Hey!
Shit! That woman
Huh?
Heeey! You, over there!
If she was gonna bail, she should have told me sooner
There's something I'd like to ask you, but
I even got off work and came all the way out to your college to pick you up
I wonder if any other woman is available now?
Nami writes: Tashi says, One-san, but in this text it's directed to anyone, as I thought that "you" would be okay...

DING DONG
Then the laundry, futons and shopping...
Alright, first the dishes
During the 1 or 2 months it will take for his injuries to heal--
Will be so easy
Alright, alright I'm coming
for some reason they go slow
...That was--
A guest that came in the middle of the afternoon on the second day I was there
near-sighted
.....
Who are you?

Hm, Handa-san?
Come in, come in---!
.....?
He is.
Is Toshinori here?
It's rare for you do visit during this time. What about the company?
It's okay. I managed to get a bit of free time so I slipped out
Excuse me

I'm glad you seem okay
You were discharged day before yesterday?
I'm sorry I wanted to pick you up, but
Oh, yeah. The hospital costs were loaned to me
I had forgotten
Oh!
Its okay, Arkawa-san was with me
I turned in the car's number and the driver's description to the police
Is that so?
Oh... I brought this month's amount with me
I added extra for the hospital bill so return the loan from this
Could he be the one that helped you?
Yes, this is the Arkawa-san that took me to the hospital
I'm going to have him live in the house for a while

Aikawa-kun
take care of Toshinori
Even if you say that...
Last one...
I'm sorry Aikawa-san
I completely forgot about the hospitol admittance cost and cat's medical fees...
Hello
You're a annoying director
I see
I'm not worried if you're here
Nice to meet you, I'm Handa
I'm the one that looks over Toshinori in place of his parents
I came by slipping out of work, so...
Next time
Well, I'm going Don't push yourself
Already?
You won't do it before you go?

EP

What is this bad feeling....?
yeah
Here you go
Is this enough?
.....
What?
Handa-san? He was my father's close friend and classmate
He's like my parental guardian
Because both of my parents are already dead
If you get that much money, hire a proper housemaid
No way
I don't want someone I don't know in the house
hmph!
It would be much better than having me

You barely knew me when you hired me
Thats true
But you tagged along with me to the hospital
Something like that is your only reason?
And also to make up for your lost job~
—Well, if you want to know the main reason—
Yeah, that was your fault!
Huh?
You're really my type
Aikawa-san
!?

Don't move, it will make my arm hurt more
...Hey?!
Stupi
Then stop
ngh
shu
how

Shit...
He's good at this
...You
He's had experience
are THAT type
I don't only focus on guys
Aikawa-san is the same right?
Ha
...and how the heck did you know?
...shit
Already...
Its not like—
I've never slept with a guy before, but
I knew
Don't say—
Stupid things I haven't done it enough to "smell" the same
eww!
You had the same smell when I first met you
EP

Bargain sucessful
I needed a replacement for my "right hand" anyways
Is your arm okay?
It's been fine so far
Not after we got this far
It's not like I hate things that feel good
Wanna quit?
you don't like it?

Then put your shoulder over me
nn
ah
ah
ah ah
Mmgh
ah
ha
Hey
Are you okay?

AHHH!!
Do you know of a hospital that does surgery around here?
I'm about to pass out

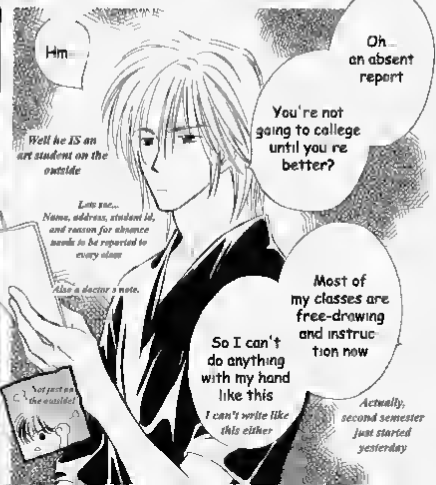
Its true that I haven't had a woman for a while now
And I know how good it feels to do it with a guy
And the fact that I was attracted to his face is true, too— but—
I can't believe that I'm doing an injured person with only those reasons. .
I must be crazy
—I must be crazy...
Want me to change positions?
Nn Its okay
Move Aikawa-san
...Ahh!

EP

Is always in the kitchen to be told orders
College?
Don't bring your fork in your mouth
Yeah
Can you give this to my counselor and seminar professor?
Fill in the places marked with checks for me?

Aikawa-san?
Can you stop by the college later today?
Completely different personalities...

Have fun!!
But during my absence, I get to watch all the videos I want
Movie: I want... and play around all day
This guy...



Hm
Oh... an absent report
You're not going to college until you're better?
Well he IS an art student on the outside
Let's see... Name, address, student id, and reason for absence needs to be reported to every class
Also a doctor's note.
Not just on the outside!
Most of my classes are free-drawing and instruction now
So I can't do anything with my hand like this
I can't write like this either
Actually, second semester just started yesterday

EP

Ahahaha
One month of quiet huh?
Well, tell him to take care of himself
Give him this for me
I see... Excuse me
What an easy going school—
Hey hey! Excuse me
Is it true that Neko-chan was involved in a car accident?
Yeah... well
"Neko-chan"...?
His injuries? Is he okay?
Fine, fine. He's already left the hospital
Even though his right arm is broken, he's still full of energy
Whaaat?! His right arm?!
No wonder he's absent from school!
Ahaha
Hey, is that guy's hospital food catfood?
Okakaneko ...Okaka "neko"...
haha
Stupid
Hm...I see...
Hey
You
You're the new guy at Neko's place right?
EP

Hmmm. You're good looking
A quick replacement after he kicked out the guy before you huh
He should have just called on me, instead
He seems bored, anyway
If you wanna come play, come visit
Ahahaha
...That guy?
I'll be slapped if I go without being invited
That right. It's against the law to step into his territory
Even though he looks like that, he's a little demon on the inside
Don't you know?

That's a bit incorrect
...definetely in the area of taking people down
It's okay when you feel his baby-ing is cute
but if you make one mistake, he'll cling on and you won't be able to get away. He's like a drug
Even though he never trusts anyone, he always tries to get things from people
He knows that they won't refuse
Hey
Isn't Neko-chan's #80* here already?
And even then you can't hate him its such a problem
We told you that he's gonna be absent for a while!
Yeah, it's in the way. Make him take it home~
Take it for him
How troublesome
Let's call...

*Note: type of painting

Huh??
No
At least I don't think his selfish ness is cute
It doesn't apply to me
Hey! Neko!
DIN DOOON
Oh, come to think of it
I still haven't gotten a key from him
I went all the way to school for you~
Hurry up and open the door~!
Pretty Arrogant

A drug... A little demon.
If you're not careful you turn into a junkie.
I don't get it
Am I the same kind now that I've slept with him?

PINPONG
PINPONG
PINPONG
HEY!
You didn't leave the house after making me leave to do you're errands did you?!
Heeeeey~ Ne--
You're bothering the neighbors
ガチャ!
Woah?!
Ack
If you want Toshinori, he's inside
Excuse me
EP

The smell of soap...?
Ah, sorry. Uhm, about the canvas I ordered
There isn't any way that I could carry four #80 canvas alone
Bring it to my house for me~
Isn't Chiba-chan's car a wagon? It's decided
Out of the bath and with kiss marks...
Ah
Welcome back, Aikawa-san
You were fast

EP

Could it be that I might
Yeah yeah
See you later, say hi to the others
have been hired by a horrible person?
Who is that guy?
Who bought this mansion for me
The guy
...Mikami Yuusuke-san
CLICK

But lately he had been really clingy.
That guy is an amazing little demon, you know?
He kicked out the guy before you
A new guy?
I see
You earn your rent, school, and living expenses with "yourself"
He should have just called me
You won't do it before you go?

I just used the support that they wanted to give me
Just buying and selling? ...What kind of guy is this?
I can "pay" as my as I need to for "my own shopping"
Its my policy to get everything you can get
I'm dropping out of this
EP

No way
Aikawa-san just gives me "manual labor" instead of money
Aren't you forget ting?
You're already the "same" as those people Aikawa-san?
We already made the "deal"
Until this arm gets better I'll make sure you work for me
This guy...
He's a horrible little demon...!!
To be Continued

Isn't it cute? Comes with a collar!
Violining
The vet said that he was probably run over by a car
So I left him in the hands of the animal hospital
So you see, Aikawa-san. This guy-
Idle Idle Idle
Okakaneko Toshinori
That's what the blood-covered boy I met three days ago called himself
That blood-covered guy caught me so off guard that I--
Isn't it great we both were able to get out?
Oh, just put the stuff down anywhere you like~
That day--
MEOOW
I found him on the way to school~~~
The cone is used so the cat won't bite around its wounds. Its pretty cute!
Ended up doing as he said, and helped him to the hospital
I was with him during his medical examination and I even filled out his medical papers for admittance to the hospital to treat his broken arm

And then, it was my turn to get hit by a car after leaving the animal hospital~
ahahaha
.....
EASY-GOING
But I can't believe the nerve of this guy, calling me suddenly, making me pay the animal hospital fee, and on top of that, even making me carry his things!
I surprised myself by doing so much for him..
Fuo
I'll make sure not to have contact with him anymore..
Well, I'm leaving now
Hey,wait!
On top of that he's probably stupid
Let me go home!
What?
Are you the type that can cook, Aikawa-san? Would you like to get a part-time job at my house?
Why are you asking so suddenly?

I need someone to take care of this injured one, as well as all the other cats
Okay, everyone, get along!
Are you going to keep the injured cat too ...?!
So, why should I
I'll pay you to do this job?
Well, my useful hand is broken like this...
So I'll have a lot of problems if I'm here all alone
Alright, get down
Person who was fired from work because of today's event
Anytime your not working here, its okay for you to be doing other jobs, but
when I call, you have to come as soon as possible
Well I'm sure there are many other ways you can lend a hand around here too...
The job consists of taking care of my cats and I, as well at the rest of the house

EP

Aikawa-san!
I must have been
crazy
Hey, Aikawa-san—!
F-O-O-D!!!
Wake up!!
ACK!!!!
And then...
You can even stay at my house at no charge!
Well?

Everyone should be able to do basic cooking
Amazing! Its proper food!
What do you mean "proper"?
Scrambled Eggs
Sunny Salad
French Toast
Very easy
I can't
So what have you been doing until now?
Don't tell me you ate out three meals a day?
Well... I used to
But after I got sick of it I've been having food made for me
Egh!
Wow!!!
As to what is suspicious
Suspicious
Impression scenery
No, it's not the cats
Ended up as a live in
Is there anyone who would actually pay $200 just like that to a "housewerker" he's only just met?
If you don't work, you don't eat philosophy
Well then, here is this month's pay up front
Hiccup
—is what happened
Flash back

EP

But lately he had been really clingy...
It was too much trouble so I kicked him out a bit ago
Wha?
It was so helpful that you came, Aikawa-san
I see, so you DO have a proper maid working for you!
No Not a maid, but a guy who hit on me at a club
Aikawa-san, seconds!
Oh, an the tea too
A housemaid who s clingy troublesome, and hits on people?
Patience... patience
This is a part of "work" as well
The weather is good sa clean the futons along with the laundry
Now that I think about it, the light bulb in the bathroom burned out...
And after that, go to the store to buy snacks, batteries, milk, and a pack of coffee filters
Oh, don't forget to feed the cats, too
The cleaning too...
For now, food

Why is an art student living in a 3LDK apartment in the middle of the city, alone?
With this security system and the pets, the rent would definately pass $200
Here you go, eat well
But that guy...
And on top of that, the food cost for both himself and his cats... Plus my salary...
Where does that much money come from...?
Eh, oh well
For only working this much for $200 a month...
Of course, there is a cat room as well
It must be a worthless free-lancer's jealousy

Hold on a moment
Must be that guy
So snobbish!
RRRRRR
Yes Okaka neko's...
Huh? Oh, the guy from before...
This is Mikami, is Toshinori there?
Neko
Phone call
Who is it?
Mikami

Hello, Mikami-san? Yeah, I'm fine.....
The doctor said my arm was healing fast...
Wonder what kind of "visit" it was...
Thanks for visiting last time
Don't worry anymore
Uhm, tomorrow? Sure
I'm resting from college so anytime~
Mm. 4:00 I got it
See you later
Here Thanks Aikawa-san

I'm returning this
Aikawa-san?
Eh?
Why?
But isn't that the money of salary I gave you?
Yeah
That's why I'm returning it
I've decided to quit your job

Then who would make food for me?
That is a problem for me
I'll make food for you
And if its help you need, then I'll help you like I have been
But
I'll tell you just this
I'm not going to accept money from you
And I don't plan on being added to your "Lovers list" either
I haven't fallen low enough to take advantage of a injured person
What kind of joke is this?

This isn't a joke!?
Jeez
What do you think I am?
I'm serious about this!!
But why?
There's no way you'd do it for free
It's true that I don't like being involved in troublesome things...but...
Even though I look like this, I'm not horrible enough to leave an injured person alone
...Besides, you don't like people you don't know, right?
I owe you at least that much. So I'm saying that I'll work for you just one month, free
So then I'll take care of you
Well. I'll still live here and be eating your food. Too much trouble to move

*...Really. It must have been horrible...So young*
*He just reached the age of 30, right?*
*They were just unlucky*

*After hard working so hard, he gets caught up*
*in a hit and run as a pedestrian...*

*I heard his son was with him*
*Its amazing he survived*
*Look at those injuries...*

*...But, what will they do? Don't they have debts?*
*That's right, they just opened a store*

*See, what was it called...general imports.....?*
*That's right...*

I've never heard of us owing you anything!!! Show me proof!
----Stop it!!!
That couple had a child and eloped against their families wishes
So that wife has to work of the debts?
Its impossible for such a delinquent type like her...
My husband always made a document to prove he borrowed money!!
This is the only money left after using all of my husband's life insurance to pay back debts!!!
SHUT UP!!!
Okaa san...
Selling your body to support a child!
Thats why I'm telling you? He borrowed money from me, too
You should be thankful that all I'm asking if for my money back!
After he dies, it's logic that I get it back from you

Did you see?! Even daddy's uncle is like that
They even took the last bit of money daddy left for us!
I have nothing else left except you, Toshinori!!!
Damn it all...!
I'll use you to the fullest!
I can't believe that scum is blood related to Toshiya-san !!!
That's why we have to be smarter
Toshinori, listen carefully! From now on don't trust anyone other than mommy
Use them before they use you!
No one will help us
Everyone only laughs and uses us!

Understand? Toshinori
The only people you can believe is daddy, mommy, and yourself!!
Use your own skills to live happily! Even for your father's part!
Understand, Toshinori?!
You can't trust anyone
...yes
Smartly
Without making enemies
Mother
Using everything you can use
Continue protecting our way of life

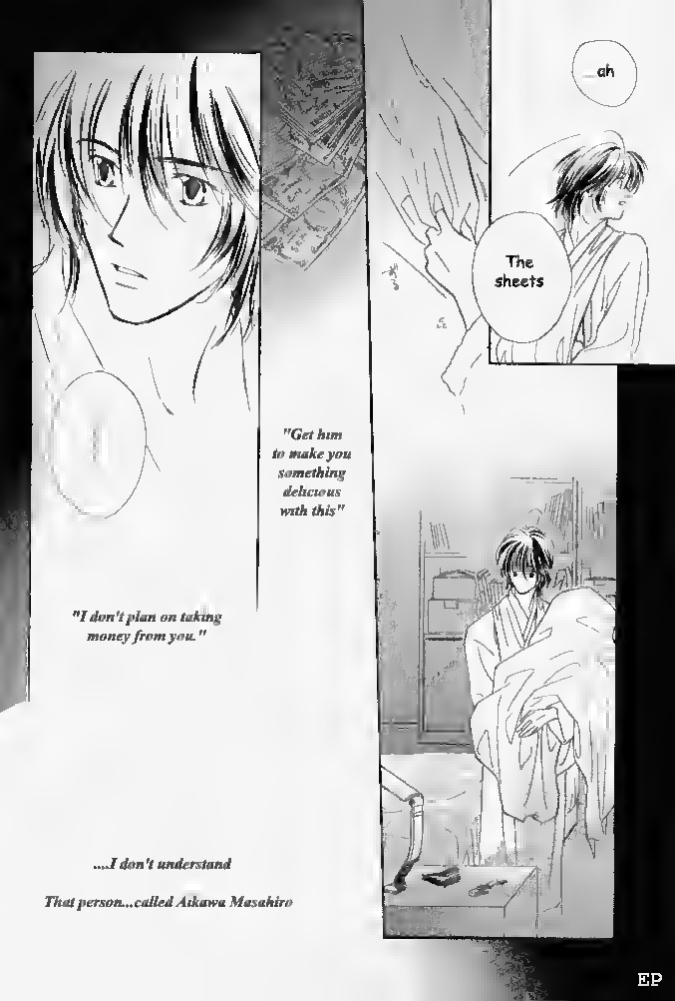
Mothe...
That was
A promise I made with my life...
...Toshinori?
What's wrong? Did you see a dream about your mother?
Now that I mentioned it, isn't this the month of your mom's death?
If you're going to visit her grave, I can drive you there?
...Its okay
You have work, Mikami-san
Wow, it's rare...
that you would ever turn down an offer

How about today? Are you alone?
Hey Are you sure you're okay? I wasn't that rough
No
If I call, Aikawa-san will come back
Is it
...I wonder why that dream came up at a time like this..
I see
Then get him to make you something delicious today with this
See you

Yeah
Arkawa-san?
Ah
You're finished
yeah
What do you think I am?
I don't plan on taking money from you
And I don't plan on being added to your "Lovers list" either
.....

Uhm…
Then I'm going to go buy groceries for dinner before coming home
What do you want to eat?
eh?
What do I…
Anything is fine
You know~
That's the most troublesome answer
eh s-sorry…
Uhm then… uh…
Aikawa-san's specialty… or something…
Tell me bluntly if you want to eat something special If not, tell me something like "you decide"
You're not a kid anymore so say things clearly

Oh, yeah Take the sheets of the bed and have them running through the washing machine
Yeah
You can at least do that, right?
Got it, I'll be home in 30 min
got it
Okay
uh...
I don't have a big enough repertory to have a "special"
Is meat and potatoes okay?
What do you want to eat?
You can't trust anyone.
Its rare that you would ever turn down an offer
Say things clearly
MEOW



...ah
The sheets
"Get him to make you something delicious with this"
"I don't plan on taking money from you."
....I don't understand
That person...called Aikawa Masahiro

What do you mean "what"?
Hey
Wh
What...?
Stop spacing off Hurry up and eat
You're the one who said to wash the dishes afterwards
Ah... yeah
わ
Wah?!

Guess you can't wash your hair well with a broken arm~
Your more like a "bird" than a "cat" like this
Its like a nest!
he he heh
heh
Wh- What...?
you okay?
yeah
Why...?
So i need to wake you up at 9am tomorrow right?

See you
Good night
Yeah, I gotta go to the hospitol
I see.. So lets go out to eat together for lunch
Where do you want to eat?
eh..
Good ni
What? Say it clearly
Ah.. uhm Then the "pasto store" in front of the train stotion..
Good
.. Why doesn't that person come asking for something in return?

It was easy up until now
Problems were solved easily with money or the flesh...
that way everyone would take care of me
Don't believe in anyone! Use them before they use you!
"I don't plan on taking money from you"
It doesn't work with Aikawa-san
....I don't understand Why he is doing this for me...
But....

Neko...?
What are you doing there...?
Ah... Uhm...
Is Aikawa-san different?
"..... Nobody will save us!"

Here
Get in
Jeez
It can't be
helped
It was a mistake to think he was different from the others
This is what he wanted in return after all
Just like mother said
See?
I knew it

There is no person without an underlying greed...
Hey
Wah!
Quit being so slow... You'll wake me up completely at this rate...
He IS an injured person you know...
.....!
Jeez...
Its still too hot too be sleeping together....
Ai
kawa..san?

What?!
...aren't we going to have sex...?
Let me sleep...
Like I would do that
I told you before I wouldn't, didn't I?
Why...? There hasn't been a person like you until now...?
You know
Do you think everyone in the world have black hearts within them?
...Don't they?
Of course not!
Well I'm not exactly on the good-hearted side...
But even I have the average amount of thoughtfulness towards other people
I'm going to get mad if you keep trying to avoid that fact

Aikawa-san is different.....?
..Jeez
You're too old to come to someone's room out of loneliness
got it?
Shit... Waking me just when I was about to sleep
Look what you did? I'm wide awake now!
Remember, Toshinori...

Here
Hurry up and sleep
You can't trust them
...what should I do?
I'm scared

Your scar will heal cleanly after some time
But don't take off the bandages for a while
I'll see you back next week to check up on you
Toshinori
Huh... Handa-san?
Aah you got to get the cast off
You're almost completely recovered
Hey, how did you know I would be here today?
I heard it from Aikawa-kun
I met him at the entrance of the building

He said he had to leave in an emergency
I got asked to pick you up in his place
Where did Aikawa-san go?
Probably the animal hospital
He was carrying an injured cat
Oh, yeah
That cat hasn't been eating much the last couple of days
Aikawa-san said it might be because of the summer heat
..Aikawa-san...
I can't figure him out.
Why did he.
That kind.
give me that kind of kiss?
Toshinori?
Is there something wrong?
.. ?
Lets go back to the mansion for now
You must be tired

You were refused? The wark money?
Yeah
because he refuses to take the money for it
So you mean he's working for free?
He says he doesn't want anything
But he makes food and takes care of the cats
Somewhere inside my body,
I feel uneasy.
After being with me for weeks he hasn't tried to take me
But he gives me an unsettling kiss
He gets mad with a scary face sometimes
He's really nice sometimes too

Hard.....?
Is it hard to be with Aikawa-kun?
Is his existance troubling you?
—I think.
That it's different from that
...I see
—Handa-san?
—I'm happy for you—
The time has finally come.
—?
—I m going home

Huh..? Why?
We still haven't
Toshinori
eh...
he left...
"Be well?"
Why?
Be well

...Welcome back, Aikawa-kun.
You're late
*unyaaa*
heeey
Okay, I get the fact that you're scared of cars... so stop climbing on my head!
That's why I told you to go into your travel cage like a good cat...
...What are you doing at a place like this?
Don't be so suspicious like that
I wanted to talked to you... I was waiting
Is it okay? I'll be quick
Why didn't you wait in his house?
Hahaha~
Suspicious!

I'll tell you bluntly
Aikawa-kun
I want to leave Toshinori to you
Will you consider taking the responsibility?
WHA?!
Leave him to me...? You know I'm just a temporary maid replacement, right?
Starting from today
I will probably never come here again
...huh?
It has been long until now
Already 5 years since his mother died after his father did
Now Toshinori is finally beginning to question himself
You- are probably the only person who could heve triggered that
EP

It's true that I added a little bit to each month's portion
But to Toshinori it didn't matter where the money came from
To him "any interaction between us" is a give and take situation
Don't you know?
This is give and take
...Toshinori's mother was scared of her money being stolen from strangers
So she secretly made a deal with me to protect all of her life insurance money
Give this to him for me
I'll put the rest of the money in Toshinori's account sometime tomorrow
"Rest of the money" ...?
....Wait a minute!
You mean you've been using that money to sleep with him?!

Aren't you more worthy of that spot?
Toshinori is probably very confused right now...
And he's probably noticed my change of attitude...
Will you please stay next to him?
It's impossible for me
I can't push Toshinori away
It's not that Toshinori's mother was a bad person,
but the way she raised him is wrong
The moment I slept with the lonely and scared Toshinori...
I lost any chance to ever correct the situation

...Neko?
No
The moment I felt pity for him was the moment where I no longer was his equal
What Toshunori needs now isn't a person that gives him "sympathy"

The injury from the accident made him more susceptible to sickness.
I also got some vitamins and adult cat food
Mike
They said that it was just tired from the summer heat
Here.
Hospitals give you cat food?
House
Our house is actually a pet store.
No...Oh, didn't I ever tell you?
My older brother and his family continued the store
Since I went to return the car after going to the hospital I picked some up with me

Your house---- are you going back ---?
Do you want me to go back?
What?
How many times have I told you that if you want to say something, say it clearly
I'll take care of you.
At least until your injuries are healed

That I'll stay with you until your arm gets better?
I'm not bad enough to just break a promise that easily
Hmm...?
...you know
I told you in the beginning didn't I?
Do you want me to go back?
If Aikawa-san goes back home—?
What, are you guys crying for food already?
Jeez, all the "neko" here are so troublesome

What do you mean by why?!
Don't you have to worry about getting back to school?
I'm telling you to go talk to your professor
A-Ah, I see
Huh... Why?
Since you got your cast off, you should go show your face at the college at least once
Oh!
That's right. Neko
Why are you being so smug?
Y-yes!?
When this arm gets better
Jeez. You're so trouble-some
Then——
-----NEKO-CHAN!?
Hey everyone, come here! Neko-chan is here!!!
Huh? Really?!

Ah! It's true. Long time no see~!
Wow! Lots of people gathered!
It must have been so hard to have broken the arm you draw with~
Wow Nekocchi, you look a lot healthier than I thought you were!
Hey you got your cast off already~ That's great!
But it's gonna be completely healed soon right?
Neko-chan, when are you coming back?
.....
He can't until his fingers are able to move easily, right?
Awww But he could model
Hey! That would be great!
Hey hey.
Don't try to use the injured
.....Why...?
Usually——
Neko-chan?
What's wrong? Are you feeling bad?
Ah.....

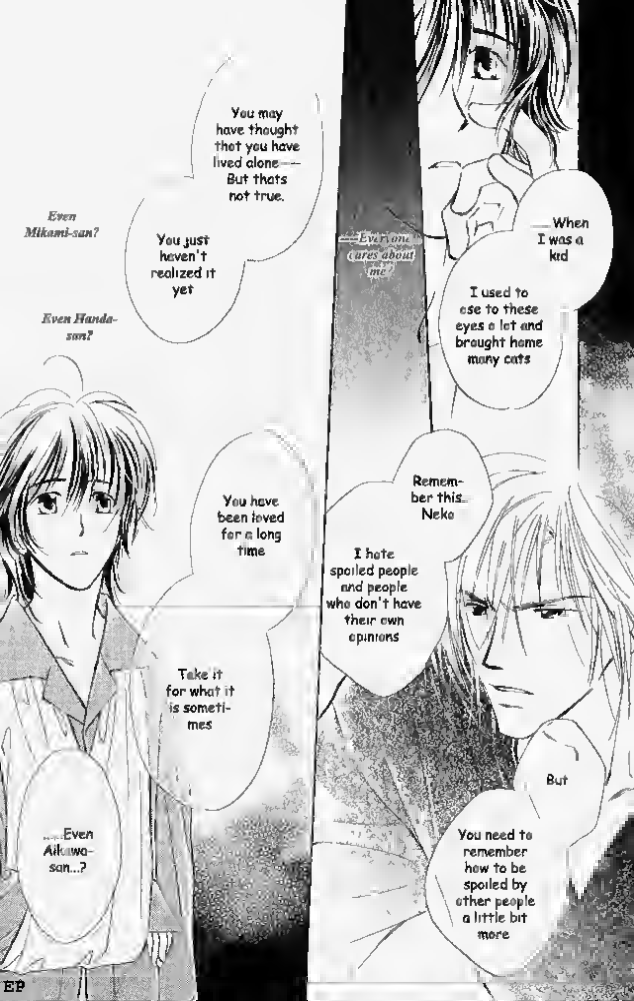
Thanks
Are you okay?
I'm fine.
Nothing is wrong
No
Hey
Did something happen Neko-chan?
No, its nothing!
Anyway, hurry and come back!
The class is too quiet without you here!
It was so bad~ It was gloomy!
ehehehe
Why?
.....huh?

Neka? You're home
How was it?
.... Arkawa-san
at least say "I'm home" when you come in!
What you look spaced out
Did something happen?
hm?
I wonder why—
Usually
With everyone's voice
I couldn't see
Something black and dark would drain into my body——
I couldn't read the motives behind what other people were saying—

Of course not!
Nothing like that existed in the first place!
...Motives?
Even though they don't get anything out of it—
Then
Why does everyone worry about me?
There isn't any need for a reason!
...not ...?
I told you
Not all people are horrible person
Everyone just likes you

Let's go
Even you Aikawa-san?
they won't play with us
Every-one ...?
The people at your college and Hando-san
Probably even Mikami
Which do you think it is?
They all like you
I don't know
Thats why they worry about you and try to help you
You're kiss is different from Mikami-san and the others
I don't know what it means
Don't think about every-thing as profit and loss

You know what the difference in the kisses are
I'm
rude and have a pretty small heart I'm not even really that nice
But
I'd like to think that I take care of the ones I decide are important to me like any other average person



You may have thought that you have lived alone—— But thats not true.
You just haven't realized it yet
Even Mikami-san?
Even Handa-san?
You have been loved for a long time
Take it for what it is sometimes
——Even Aikawa-san...?
——When I was a kid
——Everyone cares about me?
I used to ese to these eyes a lot and brought home many cats
Remember this, Neko
I hate spoiled people and people who don't have their own opinions
But
You need to remember how to be spoiled by other people a little bit more

EP

"Promise"
Neko
.. but when my injury gets better you're going to leave right?
That was the promise
If you don't want that... What do you want? You want ...
me too ..?
---Enough that when you're alone
I would think of staying with you.
My...
Wh...?
I...
I---
PIRIRIRIRI
EP

Be well
You can't trust anyone!
What do you want me to do?
Let yourself be spoiled more
Hold your own opinion
Say what you want to say clearly
Hey, won't that be fun? Let's go Masahiro~
Hey Masahiro? It's me~
Sorry about last time~
I don't want you to
Hey, if you're not busy wanna go somewhere now?
I have a car What about going to Kamakura ---?

Good
I'll grant that wish for you
You finally said it
I don't want you to go
Don't leave me alone

If now,
you accept me and taste what I give you quietly
Take it for what it is
Neko
Do you want me?
Aikawa-san
I'll grant you one of the things of happiness that you can receive right now.
AIKAWA-SAN
Wasn't it only going to be one?

I'm not boasting, but all the cats that I've cared for before, I had them until the end of their life.
Because of that, I know how to take care of cats very well.
Do you think that I would be that stingy?
I know all of the things that a cat wants and all of the places that makes him feel cozy.
This person...
Well. This time the cat is a little bit bigger than usual and doesn't know about the world too much
But in terms of cuteness, he might be number one

*is the first to give me love*

Here try saying that you love me?

If you can say it clearly, I'll take you

Well, here's Kuro-chan's medicine.
Please take care
It's been a short 2 months since quitting as a "house-worker"
—is how it should be
But for some reason I still take care of Neko
Neko?
What are you doing here?
Ah!
Aikawa-san!
What. I came to pick you up My classes finished early
So I thought that I might be able to come home with you
EP

Hey, Aikawa-kun.
Toshinori is always troubling you so much
No, not at all
Mikami-san, thank you. Here is fine.
Don't you want me to drive you?
No, I'm going to go home after some shopping
Mikami Yusuke
Up until 2 months ago he was Neko's lover--
What?
Toshinori
—is how it should be
But he still keeps hitting on Neko
If you need anything else call me anytime.
Yeah thank you!

Besides I just washed my hair yesterday
There, finished
Here dry your hair well
If it's not completely dried your hair will shrink and it'll be too short
WHAT
There scissors are for general use
This and that
Oh well, can't be helped
SNIP SNIP
Huh W-Wait a second!
My hair? You mean... you're going to cut it Aikawa-san?
Scrubbing
Hey, Aikawa san
What are you doing?
Scrub
I said stay still
Scrub
But you suddenly started washing my hair, why's that?
I don't get it~
Scrubbing
Was actually a trimmer school graduate
Don't worry
I have the qualifications to be a trimmer
Know This!
I don't think there's been...?

Hey, Aikawa-san
What?
Why did you suddenly feel the need to cut my hair?

What is it?
Ah, I see
Hmm~?

Aah-!
Shut up!
HEY-

It's a reason that's bad enough that you don't want to tell me

After this guy told me what he wanted properly
The hesitation he had with kissing disappeared
---Ai-

Be quiet.

You're the one who kissed me first
GRIN
And who's fault is that?
Kisses
Neko
We're still in the middle of cutting your hair
Nn——
To this starving "cat"
and sex
A mouth that never stops talking
Nn—
RUSTLING
Hehehe
Aikawa-san's of course!

—Wow, you're really sensitive.
Did you want to do it that badly?
It can't be helped. You know I have a job, too.
We haven't... done it for half a month---
Be... cause
heh
Brings him to remember such satisfying joy, makes this little cat greedily thirsty
heh
I already told you when I left here
That I couldn't come visit you everyday.

EP

Didn't I tell you?
If you still want me even then
I told you to speak up and call me
Staying greedy
If you can say those words and tell that to me clearly
like a child who knows no other way to want
That I would grant you your wish.

---I want
And then, I
It can't be anyone else other than you, Aikawa-san.
Me?
If it was Mikami he could be with you all the time
No

EP

realized how much more
than I expected, those words resounded sweetly to me
"Only Aikawa-san"

But anyways, isn't this really cute?
You're good at this, Aikawa-san!
Mow.
It's a cinch to mow just one cat's hair.
Had a trimming job at his family pet store for 4 years
WALKING OFF

What you haven't cut your hair for a long time?
Yup
Don't tell me you've been cutting your hair haphazardly yourself up till now..
BINGO~

Oh well
The one who cut it cutely was Aikawa-san after all
—It must be a reason he can't tell me, huh?

Could it be
Are you jealous of Mikami-san?
Hey, Aikawa-san?
"If it was Mikami, he could be with you all the time"
What?
TURN
No way! That's how you act!?
Wait!
IGN

..Well then. I should go home.
HEY--!
ARE YOU JEALOUS?

You said you would stay the night--!!

They're just called "trip tickets" and don't seem to have a specific tour or destination written down

BOO!
SO NEXT TIME, OKAY~
HUH!?
He's fast
It's been a long time since Aikawa-san has visited me
But I gotta go home quickly and make dinner
And he's shopping now too!!
His footsteps are practically singing
----You know~

Neko-chan has changed a lot~
Yeah
He never smiled with that kind of a face before
Yeah~ He's sooo cute---
Hey, Hey
"Aikawa-san" is the guy that came here once before... right??
Yeah yeah!
Yeu guys---
KYAAA~
Why do girls always think that way
It has to be!
Neko-chan's boyfriend!
What do you think?
Well, of course!
ALRIGHT!
PREPARATIONS COMPLETE!

EP

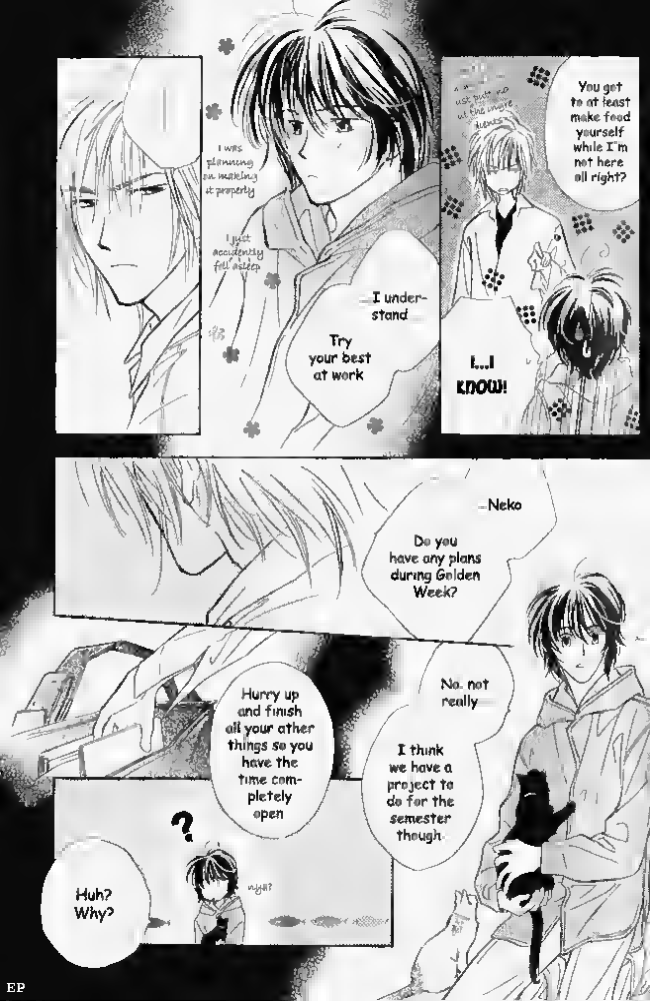
It's been since they put up the project for the year finals
5 days? Has it been that long?
I wonder how many days it's been since Aikawa-san last came to visit
Such great weather
I have the rice cooker all set too
Now all I just have to fry the eggs when Aikawa san comes!
Finally learned how to crack eggs!
What is it Kuro?
Can you tell that Aikawa-san is coming to visit us today?
You're the one that's most attached to Aikawa san, after all~

Hey Neko! Jeez! At least answer me...
-silence-
Neko?
Sorry I'm a little late
SLAM!
How's dinner?
Nyaaaan
.....
NE~KO?
You only made preparations and left me to do the work!?
That pisses me off more than doing nothing!!
STOMP
STOMP
STOMP
All you have to do is fry the eggs!!

There are 6 cats there.
Neko ball.
ko
Nn--
Ne-ko.. hurry up and wake up already
It's time to eat
Nya!

I'm so stupid! I came home early for no reason now--!!
What's the problem? Does it taste bad?
MUNCH
It tastes great
A... AIKAWA-SAN!?
FOOD!?
BLINK
Hee-ey
I just gave you guys cat food already right --?
Oh, you finally woke up
Dinner is ready
What... Not at all?
Yeah
Golden Week...
There's still over a month left until then
So I won't be able to have any breaks until Golden Week
I'm going to up my job schedule
Neko
I won't be able to come here for a while now
What Why?

EP



I was planning on studying it properly
I just accidentally fell asleep
I understand
Try your best at work
...I'm just not in the mood, Honest
You get to at least make food yourself while I'm not here all right?
I...I KNOW!
Neko
Do you have any plans during Golden Week?
No, not really
I think we have a project to do for the semester though
Hurry up and finish all your other things so you have the time completely open
?
Huh? Why?
nya!?

With Aikawa-san
...Yeah!
Make sure you find a place that will take care of the cats
My older brother's wife won traveling tickets and they shared with me
...a trip---
I'll take you somewhere
In exchange, let me decide the place.
hey hey hey!
Hokkaido?
Okinawa?
Taiwan?
HEY, HEY, HEY! SO WHERE WILL WE GO?
I haven't decided yet

Yeah
It doesn't matter where
As long as I'm with you, Aikawa-san
Is there anywhere you want to go?
But even if we had money
I probably wouldn't have wanted to go anywhere I didn't know
But you know
You're special, Aikawa-san
I don't know
My family wasn't well off enough to go on any trips when my father was alive
I might even go with you willingly to the dentist

Of course I was just kidding.
I'm talking about when I was a kid. I worked hard and all of them were fixed now.
SQUEEZE
You have cavities?
I see
I would have been able to tell that you had cavities when I kiss you
Thats true but-----
I know that your teeth are clean very well
Hey... raise your arms
Don't get depressed from something like that
Alright.
Alright.
Alright.

A trip on Golden Week~?
I see--- So thats why he's in such a good mood
Yeah
Are you going to finish all the projects they assigned before break?
Yeah. Aikawa-san told me to
Sounds suspicious to me~

He.
He must have thought of it ahead of time and made reservations! Probably!
Then most people would have told you of their plans earlier
Uhm
...But...
Even if he invited you—
That's good enough!
BUT AKAWA-SAN INVITED ME!!
There's no way you can get a hotel or plane tickets this late.
There's only one month left until Golden Week
Well, think about it~
WHAT DOES?
WAAAA---~~
Jeez~
Don't fight—
You know
Isn't he just doing something haphazardly?

If she cancelled at the last minute its a waste to pay a cancellation fee.
And if you have trip tickets then you gotta go or its even more of a loss.
Eh---- What do you mean by that----
I mean~
Maybe he was actually planning on going with a girl.
So you mean that Neko-chan is a replacement?
No way--
He didn't seem like that kinda guy
You can't tell how a guy really is from the outside.
Anzai, you have such a bad personality!
Replacement?

If it was my boyfriend, I would definately be suspicious----
...Huh---?
You mean he hasn't visited you at all? For over two weeks?
...Huh?
Can you call it an affair in this situation?
...Aikawa-san having an affair.
Yeah, he's gotta be having an affair----

"Affair"
When your partner in a relationship has a relationship with someone else
Someone else
---Someone who isn't
me?

EP

carefully
This is probably where he does his trimming job...
It's a pretty big business
"Petshop Aikawa"
This is where
Aikawa-san lives...?
——Oh
He's here

The person who's been kind to me
The person who's given me what I want
—But
I've had sex
He makes that kind of face when he works...
With Aikawa san—
We've even lived together before
If you loved me you wouldn't leave me alone... right —
Thank you so much

Huh?
He's smiling
Oh hey~ Hello, Kanako-chan!
Good afternoon---
Is Masahiro here ---?
If it's Masahiro, he's in the trimming room
Sorry for bothering you~
First name basis
---What kind of relationship do we have---?
Masahiro
Kanako-chan is here.
I heard a lot of girls talk to him on the phone on a first name basis
Oh, but before---
It might be normal

EP

But
The people who call him are always female
Since I wished for it, he stayed close to me, but...
Has Aikawa-san
Ever wished anything of me?

Got it, I'll be back by then
Alright
Oh, Mashiro There is a reservation at 3 30 for Sugimoto san's two toy dogs
Big brother, I'm gonna go out a bit
I already finished with Harada san's Pudding and Genichirou
HUH?
I'm really busy this afternoon so if there are any other requests, check with me first
I'll be at "Jurin" over there
Eee---
He's-- He's coming out! What should I do?
As always you have a lot of customers that want you to work for them
So how is everything? Do you think you'll make it in time?
If only you put that to a real job instead of a part time
We'll see
If I do anymore than this too many animals end up liking me, so I won't.

This lady
Isn't a "customer"...
Yeah yeah.
I know and I'm really thankful
...I got another part-time job so I'm sure it'll be okay somehow
What do you mean by "We'll see..."?
I'm doing a lot of the impossible for you over here too, you know?
You better not cancel with me at the last minute, okay!?
Huh, no way!
Does that mean you have 4 part-times right now!?
Shut up
In exchange, I won't have the money until right before
Yes! You wonder!
Doesn't seem to be just a friend, either
A whole cake?
Who's gonna eat all of that?
Hey, Kanako...
I guess that can't be helped
Then we'll go with a whole cake from "Peaches Pare"!

Maybe he was actually planning on going with a girl.
Trip
Hey~ I'm not going to let you say no, Masahiro?
Besides its your fault for saying you want to go on a trip so suddenly you know...
Argh
Alright Alright
.....Not true
...right?
Isn't he just doing it hapha-zardly?
---you can't trust anyone

Other people will always betray you someday
Aikawa-san isn't that way, right...?

If it's Neko-chan he's already gone home
Huh!?
Huh? Where'd he go?
He might not be feeling well
He's been pretty absent-minded recently
.....Hey.
Do you think that it's really serious?
The thing is... it seems like they haven't seen each other at all since then.
For the past two weeks, he hasn't been coming to most of the classes.
I wonder if everything is alright with Aikawa-san.
And even when he does, he just seems out.
WHAT!?
I'm telling you, he must have gotten a girlfriend and...

I'm going to help with all the hospitalized patients all night, tonight
I can't go over there today either
Sorry
Remember the veterinarian Dr Matsuta?
Your cat's primary physician
Huh...?

.....Why is Aikawa-san...?
He's been an acquaintance of our place for a while now.
I've already been there a couple times before.
...I would definitely be suspicious—...
Well, they've had emergencies one after another since yesterday
And they only have three staff members, so...
..Hey?
Are you listening?
Even if you believe in them, you'll be betrayed.
My elder sister went in the afternoon, but she can't be asked to stay all night.
And we're regularly under the care of that hospital..
.....Yeah.
I'm listening.

Sometimes you fall asleep with the doors unlocked, right?

It's easiest for her to find me at the store so that's how we keep in contact with each other
A school friend...

I see...
That's why they were so close.

Okayime Kanako
She's an old friend
from middle school that works at a travel agency.

FLINCH!!

You...
You're under some weird misunderstanding, aren't you?
You were watching me then...
You knew...
She's just an old friend that's been with me for 10 years
And I've been asking her a lot of impossible things for the trip
You erased her so cute!
And you were looking around
Why do I have to explain everything like a husband under suspicion...
I can't let her get into a bad mood
BE... BECAUSE!
SHE DIDN'T SEEM TO BE A NORMAL CUSTOMER AND WAS SAYING WHATEVER SHE WANTED TO YOU, AKAWA-SAN.
Counter Attack!!
You have friends who are girls too right
Why did you suddenly think that Kaneko was my girlfriend?
Because...
Everyone in class said it was weird that we haven't met all month...
There's truth, hun~
I had to earn money for the trip it couldn't be helped

You okay?
...Nn
Nn... I'm fine ...

It's been a while since we've had sex
So I'm just feeling it a bit too much
...Hey
Aikawa-san
I...
Really love having sex with you, Aikawa-san
The places you touch me
feel like they're changing to something different
It feels hot and warm and makes me feel calm

EP

...You skipped work
Yeah..
It's okay, I was feeling over loaded with work anyways
...Aikawa-san
...I love it a lot
...Hey Neka
Huh...
Yeah, if its only that much ...
Can you gather a thousand dollars quickly?

...Akiko-san. You worked four jobs for one month without any breaks right?
Adding a thousand after working that much ...Uh-where is the world are we going?
And you also have the free trip money.
How much does it all cost for two people?
Oh... speaking of which
Kanako brought the schedule to me just now
Wait Hold on a sec
Oh, yeah.
Stupid then all of my work will be meaningless
Enough is enough
If we can add that to the trip money I can work less
Huah
I'll pitch in! I'll pitch in! However much!
Here
She says that the schedule is pretty much exact
The daily itinerary, the brochure and the guidebook.
Oh, Than...
...ks...
Anglo-French
Round Trip!?

I CAN SEE WHY
KANAKO-SAN GOT SO UPSET ABOUT PUTTING A TRIP
Well, that's just the basics
Since you're an art major we'll have to go around and visit all of the art museums
LIKE THIS TOGETHER
WITH ONLY ONE MONTH
Um. Often
Can I say for now?
B...BUT, THIS...
... But if you don't want to go with me, it can't be helped?
..Hey
Didn't I tell you before?
It can't be anyone except for you, Aikawa san?
The END

# AFTERWORD

To all new readers and to all old readers as well

Thank you very much for getting "To the One Who is Loved"

I'm surprised as well as happy

Hello everyone this is Kusaka Takaaki

This manga has come out in less than one year since my first manga "Fever"

It here

I made a lot more sloppy pages than I expected

My previous work had two stories in it but

This book has managed to be all been about "Being Loved"

Even though I love to use screentones I am very bad at making storylines

sigh

The little devil Nekko-cchi became a clawless baby kitty

He really seems on like she little marks on his face

He seems to get shorter and shorter—

As I drew the two main characters, their personalities changed

To make a continuing story is deathly painful

This person may be very airheaded—

About Aikawa

It's amazing that a slow writer like myself has managed to make this many pages

Not just maybe he's always been an airheaded character!

In Dran survey it seems that many people said "I want to make him my bride."

Hm?

Its true that he is a very handy person

Silence!!

I got a pets allowed apartment for that reason

My current desire—

"Buying a little corgi"

And for cheap

<(Price dropped after haggling!)

Two railroad lines

5 minutes by bike to the train station

Lots of convenience stores. The bank and the post office is really close

Recently

I suddenly decided to move to another place

I decided a month after "Fever" was published to move the 2nd month I found a place, and the third I moved into it

I like big cats that you can really hold

I like Japanese breeds, too.

Like Maine Coons, Ragdolls, and Norwegian cats.

But I like cats, too ♡

Because I love leaves

Desire Number 2

"A mini jungle in my house plan."

"The only real names I brought from my house became more than 30 in half a year

Currently in process

But I still want more

I decided that it was "annoyingly fast to move."

It was hard to move all the books

If I run out of work please hire me as a professional screentone assistant

Alone in this place full of leaves

Because of this, I made the Talk Page full of leaves

Blessed

Pretty persistent.

I plan to continue drawing manga for a while—

BOW

Oh, yes

Please work forever with me.

THE END

Ship dinner?
You eat food while going down the river
What do you want to do? Want to go?

It's like one of those Japanese house boats going down the river
Ahahaha you're right--
YAAAY! I WONDER WHAT IT IS--!
Thank you for waiting, we will now be bringing the main dish

A bucket.
MAIN DISH ?
Hey Aikawa-san.
What is this?

It's where you throw the shells
Can't take a joke
.....
Shells of what?
I CAN TELL IT'S A BUCKET.
